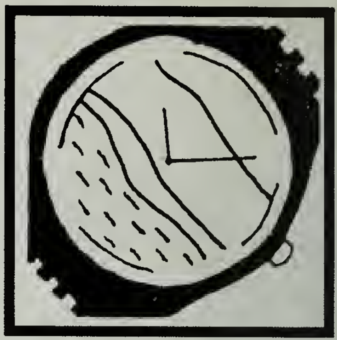
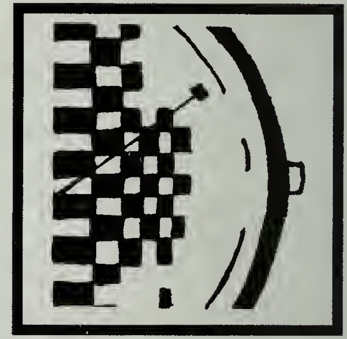
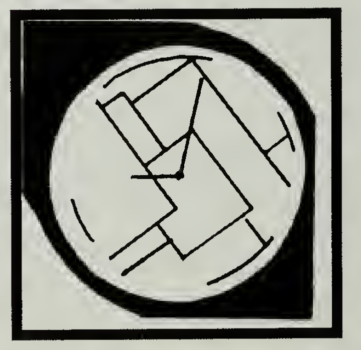
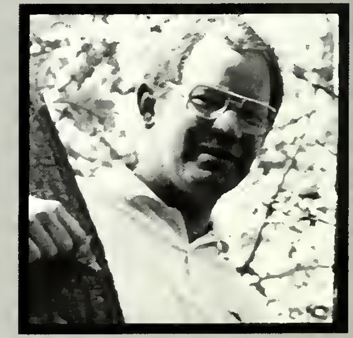
. . . a day in the life.

MASCONOMET REGIONAL HIGH SCHOOL
BOXFORD, MA. 01983
VOLUME 28









This year we decided to dedicate the yearbook to Mr. Lawrence Lowe, a man who has, in one way or another, touched many of our lives while students at Masco. Starting in the eighth grade Mr. Lowe brought a new dimension to Earth Science for Team F students. His use of units thrilled us all so much that the memories still linger. As we moved on to the high school so did Mr. Lowe, where he now teaches Physics and mathematics. He is regarded as a good teacher who is flexible and patient with his classes. He is also very thorough and his positive attributes in the classroom are complemented by his dry sense of humor.

When the school day ends Mr. Lowe turns into — Larry Lowe — Faculty Manager for the Athletic Department. His position enables him to deal with every student athlete, and coach at Masconomet. In this capacity he is extremely well organized and fair.

His spirit for each and every sport is unmatched. He can always be found on the playing fields or inside the gym cheering the Chieftains on to victory. The class of 1987 salutes him for his support and dedication with a dedication of their own . . .

Every year the yearbook editorial board sits down in April soon after their selection and with unmatched enthusiasm they set out to select a theme for the next edition of MITOBO. The goals are always the same . . . to create something new and exciting, to be bigger and better, and to make a lasting impression as no one has done before. This year was no exception . . . but things just didn't seem to fall into place.

"How about a generic yearbook?"

"No, that says we're just ordinary . . . & we all know that the class of '87 is anything but ordinary!"

"How about making it like a handbook?"

"No, we've already got a calendar handbook and no one reads that!"

"How about making it like a cookbook . . . you know, recipes for a terrific future or something like that?"

"We're just getting hungry . . . better eat and think about it over the summer . . ."

Later . . .

"Oh, my God, guys, it's already . . . September 25th and here we are heading to the meeting with our publishing reps Tommy and Guy in Woburn to announce our decisions of theme, cover, type, ink, color, etc. . . . We had better make up our minds what we're going to tell them. We're running out of time!"

"Time . . . that's it! Everyone runs out of time . . . No one ever has enough time . . . Weeks are always longer than weekends . . . how about "a day in the life"?"

"All in favor, say eye."

"EYE!!"

"All opposed, say nay."

"It's settled . . . where should we park?"

We therefore, start our journey through some typical "days in the life" of Masco here. While we can't possibly know what everyone does every waking hour of the week we sure hope that you can all fit yourselves in between the lines.

May the day begin!

9:00 If it's Tuesday night, most of the dedicated watchers will be tuned to channel five to watch Dave and Maddie on "Moonlighting."

9:15 Most seniors decide to succumb to the job of doing the homework they have artfully been putting off all week.

Christine and Steve talk over the phone about the days events and Kathy calls her surfer boy.

9:20 After a hard days work of trying to be cool in school, the freshmen hit the sack.

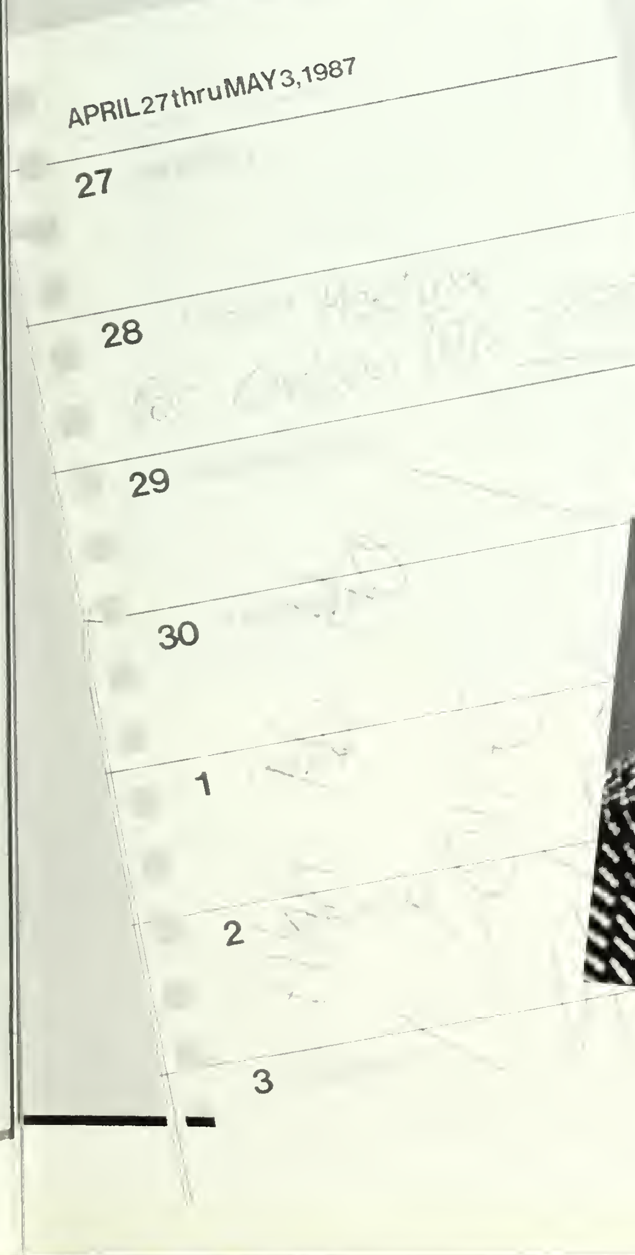
9:45 Masconians are either still doing tons of homework, or tons of talking on the phone.

10:00 It's time for a Purity run to replenish our studying food stuffs.

10:10 Seniors have done only one quarter of their homework but it's time to quit so they can fill out college applications and decide what classes to skip tomorrow.

10:39 Juniors and sophomores are still at work on their homework wondering if it will ever end (by the way it never will).

10:45 The teachers, like the kids, are working hard correcting papers but in reality they are watching the boob-tube like the rest of us — except Mr. Craig who is reciting Geometry theorems.



10:50 Jenny Ward makes one more social call before going to bed.

10:55 Five minutes until bed time for the lucky ones.

11:00 Mr. Meegan's International Relations class is eagerly awaiting the news.

11:05 Seniors are still doing applications.

11:10 Marianne Savarese gets her numerous packs of gum ready for school the next day.

11:17 Dolly Norton finishes her scrapbook due the next day for Mr. Brown.

11:45 Jill Nordstrom, after studying for hours, goes to bed.

12:00 Kathy Shinn types away on her computer, trying to meet another deadline.

12:01 Johnny Carson fans tune in.

12:10 Amy Brickett takes her cheering uniform out of the dryer.

12:15 Seniors are still doing applications.

12:30 Masco night-shift janitors go home to bed.

12:45 Mr. S. Smith, principal — sleeps soundly.

12:46 Stacey Leighton remembers to iron her wind pants for work.

1:00 The yearbook staff meets another deadline (maybe?).

1:15 Seniors are still doing applications.

1:25 Lou Toth comes in from a late night of Round dancing.

1:30 Underclassmen are soundly sleeping dreaming about making the honor roll.

1:40 Mr. Brown is just finishing up another batch of D-------- scrapbooks — and enjoying every minute of it.

1:45 Kevin Murphy wraps up another evening of night school.

2:00 The late late show starts and the dedicated few Masco students stay up to watch "Revenge of the Killer Tomatoes" starring Elvira — mistress of the dark.

2:00-5:00 Masco sleeps . . . (except for the yearbook staff)

BOYS SOCCER

Record: 16-0-2. All-League: Steve Capone, Seth Dorfman, Rob Ketcham, Shawn

The Masconomet boys' soccer team came back with another strong season with only seven returning players from the prior championship season. The team extended their two year unbeaten streak with a record of 16-0-2. There were a lot of doubts about this season, but the team refused to lose. Coach Len Emmons recorded his 200th career victory despite a late season mishap that left him on crutches. Emmons threw away his crutches for the Chieftains' playoff game vs. Winchester, but unfortunately the Chieftains were beaten 6-1 and their season came to a sudden end.

"The team overachieved due to the dedication and their desire to win," remarked Emmons. To Emmons, he was "overwhelmingly pleased with the outcome of the season." Along with the all-league representatives for Masco, Shawn Perkins was voted the best player in the Cape Ann League and Rob Ketcham led the league in scoring for the year.

After nine years of continually making the state tournament, this year's girls' soccer team not only kept up the tradition, but became Runners-up in the Division II North Championship. We started off the season with a 5-0 win over Pentucket with the first goal being scored by Tracy Stump. This kicked off our undefeated league season with Kendall Daly leading the way, eventually smashing numerous records throughout the state, including most goals scored in a career, formerly held by Paula Stashis, of 106. Tri-captains Christine Butterworth, Marnie Saitta, and Margie Tyndall led the team to capture the Cape Ann League Title with a final win over rival North Andover 5-0. As the stormy weather prevailed, we advanced to the semi-finals of the state tournament with a 3-1 victory of Wayland, and later Marblehead by the same score. The post season then came to a close as we fell to Weston in the final moments of the game under the lights at Salem State College. The Masco girls' soccer team is proud to have had such a successful season. The seniors wish the best of luck to tri-captains Kendall Daly, Eileen O'Keefe, and Heather Roberto in leading next year's team to an even more successful season.

Boys Cross-Country had a small team this year, but it was a team with a lot of talent. We started off with a 4-0 record, but then lost a tough one to Newburyport. We then extended our record to 6-1, but then lost three in a row to Amesbury, Lynnfield, and Triton, all in a week and a half. We then went on to finish with a 7-4 record. At the CAL meet at Bradley Palmer we finished seventh out of twelve teams was more than we expected since our top two runners (Jay Nordstrom and Ned Kitteridge) were running with injuries and our fifth runner (Corey Guilbault) did not get to run because of an injury. Overall it was a good season; the best season in a long time as a matter of fact. Thanks to Mr. Sinnet for putting in all the time and hard work coaching it.

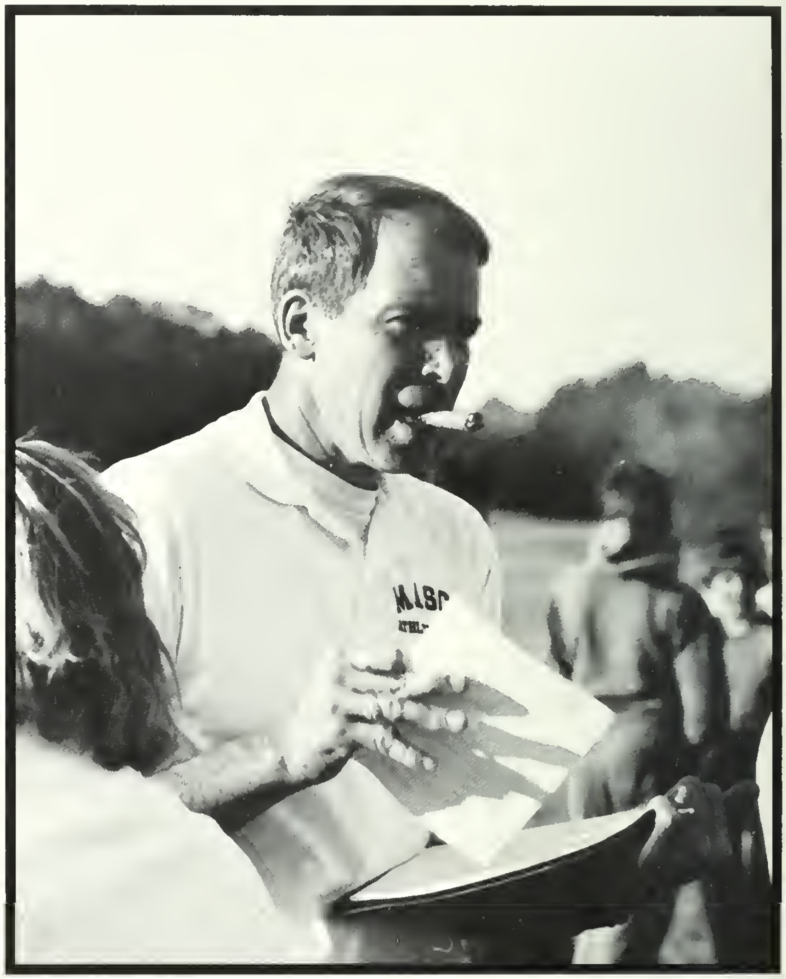
GIRLS CROSS COUNTRY

RECORD: 9-1. ALL-LEAGUE: Amy Legacki, Allison Stambaugh. TEAM AWARD



Casey's Bunnies seemed well on their way to completing their eighth straight year undefeated when they handily beat Pentucket in the first meet of the season. Hopes of having "86 in 86" (being 86-0-0) were dashed when plagued by injuries, they came up against Triton late in the season and lost 30-27. Many wondered if losing would crush the spirit of the team, but the Bunnies proved their critics wrong, placing fifth at the Division Two Eastern Mass meet and making a strong showing at the state meet. Overall it was an exciting and fun season.

Amy Legacki provided inspiration for the team, dominating the league, winning all ten duel meets, and setting a new school record (17:02). Despite losing, Legacki and tri-captain Jennifer Tinney next year's team should be quite strong. Sophomore Allison Stambaugh is already one of the C.A.L.'s top runners, and her classmate Sue Gaudrault will also be returning. With the leadership of juniors Cheryl Bourque, Robin Darling, and Desiree Russell the Bunnies are predicted to start a new streak in 1987.

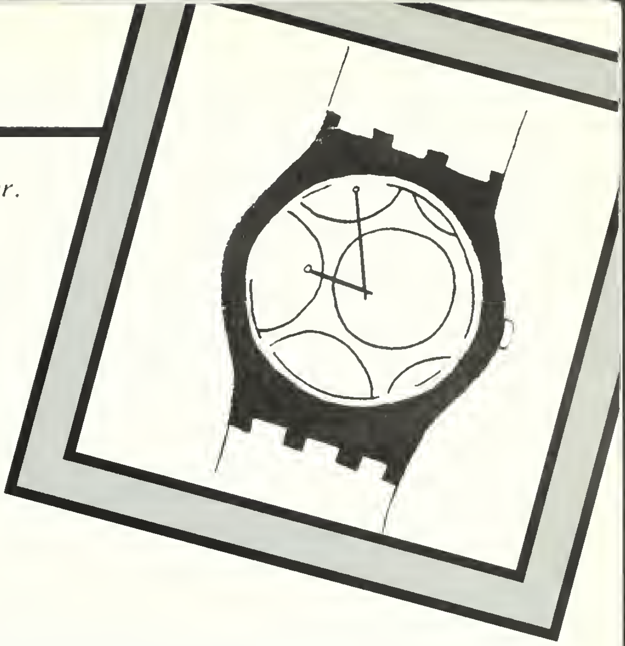
Rob Wood. TEAM AWARD: Rob Wood. COACH'S AWARD: Steve Baker.



This season was a trying one. We entered the season with high expectations and confidence to go as far as even winning the Cape Ann League. This, of course, from the fact that we had the most returning lettermen in the league and a fairly experienced team. The addition of two new coaches also built confidence with an upbuilding program.

However, due to some lacking experience in vital positions mixed with some injuries and untimely mistakes proved to be fatal. We as a team believed we could have ended up with the Cape Ann Championship or somewhere in the running, but destiny paid it's toll.

We won only one game, but it was the sweetest victory ever by defeating North Andover at Homecoming. A decisive 20-6 victory. This game proved the power of our team once we put it together.

We seniors would especially like to thank the cheerleaders for pulling through each game with us. Next year, with more returning starters than this year, the Chieftains should do well and the seniors wish them the best of luck.

FIELD HOCKEY

RECORD: 7-10-2. ALL STAR: Ilene Rossman, Gretchen McCarey. TEAM AW

This year the Masco Field Hockey team started right from double sessions loaded with talent. With a team consisting mainly of juniors and seniors, it was far from inexperienced. Co-captains Gretchen McCarey and Jill Nordstrom supported and led the team throughout the season. The pleasant surprise of late arrivals sophomore Brit Swanson and junior Tracey Forgione, not only brought new opportunities for the team, but strengthened the offense and defense immensely. The veteran defense helped keep the ball upfield in most of the games. Then the offensive efforts of our forward line would go to work, planting the ball into the goal cage. Senior Lynn Brunnacini who played goalie had an outstanding year along with junior Ilene Rossman. Coach Pamela Finnegan knew our potential well before we did. Once we realized what talent we had, it was too late in the season. Miss Finnegan always kept striving for our best despite our ups and downs. Unfortunately, we ended up with a 7-10-2 record. Next year Miss Finnegan anticipates another large group of experienced seniors. Best of luck next year.

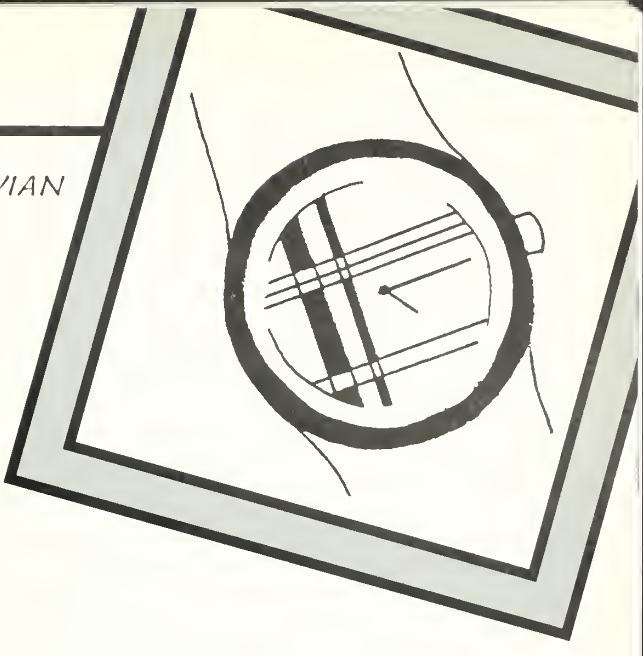
GOLF

RECORD: 14-1-1. ALL LEAGUE: DAVID MCCARTHY, JEREMY SAVIAN



The Masco golf team came through for the second year in a row to win the Cape Ann League crown. The year started off well for the Masco golfers as they showed their usual power against all opponents. The season came down to the final match against Lynnfield. We were one half of a point ahead of Lynnfield in the standings and needed a win or a tie to clinch the title. We played at Lynnfield's home course and put on a stunning performance with all Masco players at least taking a half of a point. David McCarthy played extremely well in the CAL open, ending up an All-star. All the other players on the team played extremely well also. The team is losing four of its six starters, but one can be sure that with the starters who are coming back, Coach Lauzon can make something happen, for three championships in a row.

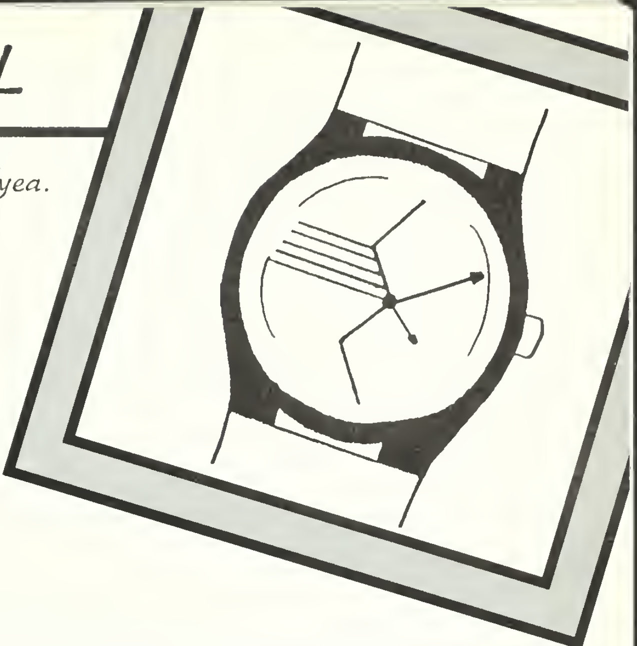
VOLLEYBALL



Ginnis. COACH'S AWARD: Sue McKenna. UNSUNG HERO: Amy Belyea.

The volleyball team got off to a rough start this year, with only two returning varsity players — Amy Belyea and Sue McKenna. However, with strong showings from Wendy Pearl, all-star Shannon McGinnis, Amy Belyea, Patti Cooney, and led by Captain Sue McKenna, the team made it through the season. Even though the final record was only 3-12, the girls had a lot of fun. They played their strongest game against North Reading (the number one team in the league) on Homecoming Day where they lost in a close third game. But the young team, losing one member, is looking forward to next year, and hoping their experience will show in their record.

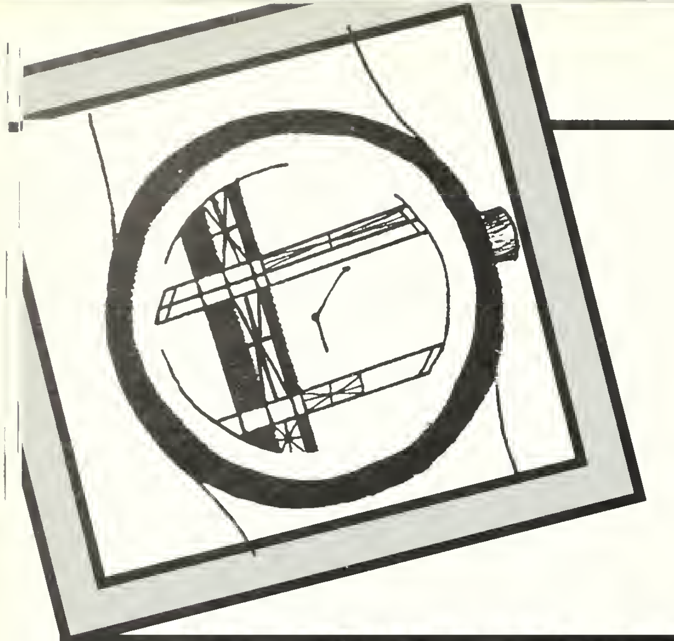
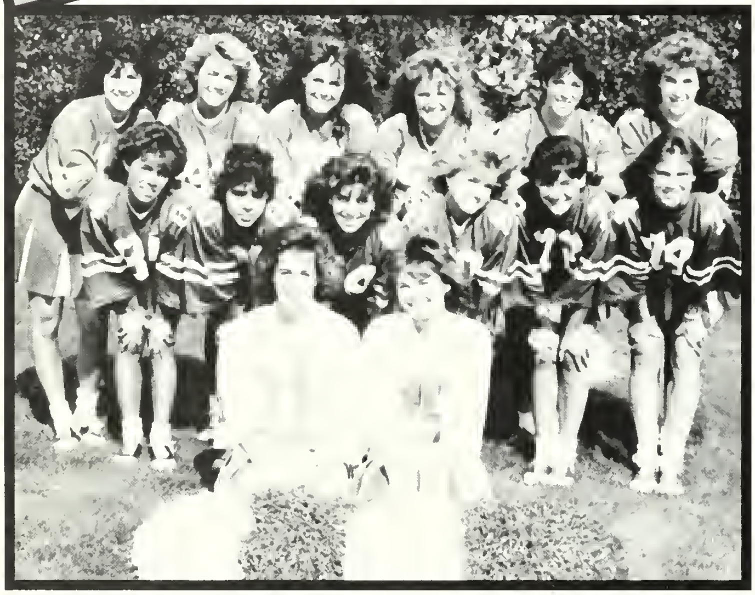
CHEERLEADERS





Football Cheerleaders

Under the supervision of Tammy Perkins, this year's football cheerleaders kept up the school's spirit through some pretty tough games. Their enthusiasm and support was never ending and their performances kept the crowds going.

Hockey Cheerleaders

The hockey cheerleaders, made up of all seniors and one junior, claimed the title of CAL Champions in the hockey cheerleading division dance competition. Throughout the season the cheerleaders helped keep the fans on their feet and the morale of the hockey team high. With the help of Anne Parker and Coach Crowley the season was truly a successful and satisfying one.

Basketball Cheerleaders

This year's basketball cheerleaders pranced and danced their way across the court to entertain the crowd during half time. From the sidelines they cheered the boys basketball team on to many successful games.

INDOOR TRACK

The '87 Indoor Track season was definitely a successful one. Although the team was defeated in most of their meets, they ran hard and the attitudes of the members were both positive and enthusiastic. The team consisted of 32 strong athletes, the largest Indoor Track Team Masco has had. Unfortunately, the team lost a number of seniors last year but Masco was able to stay strong with its current growing talents like Dave Hagan the Hurdler, Amy Legacki, Debbie Boyle and others. With support from Coach Carletti, Masco was able to give their opponents some great competition.

BOYS BASKETBALL

Record: 11-7 Team Award: Randy Ramos

The cheiftains overachieved all expectations with an 11-8 record. After a slow start, the Chieftains put together a five game winning streak to boost their record to 6-3 midway through the season. The second half of the season was similar. After losing their first two games, the Chieftains bounced back to another five game winning streak with the most thrilling victory against a riled-up Amesbury crowd, victory coming only in the waning seconds of the fourth quarter. This win, with two games left in the season, boosted the Cheiftains into the state tournament for the 5th year in a row. This was no easy task. Led by senior co-captian and all League player Randy Ramos, the Chieftains capitalized on many occasions. The rest of the starting five players who assisted Ramos were All-Star forward John Womack, center Mike Frowning, guard Rob Ketcham, and co-captain Doug Crimi. The final game of the storybook season for the Chieftains ended against number one seeded Wayland, whom the Chieftains have played for three straight years in the state tournament.

GIRLS BASKETBALL

Record: 16-3 Team Award: Marnie Saitta

It was a very successful year for the varsity girls basketball team as they completed their season with a 17-3 record. The girls faced tough competition throughout the season and came out on top. North Andover and Newburyport proved to be the toughest opponents. Kendall Daly had a seaon to remember as she scored her 1000th point during the last regular season game. The girls almost came out with the first Cape Ann League title in Masco history, when it came down to last game in North Andover. After a very tough game in North Andover came out on top, but the spunky Masco team was not too disappointed as they advanced to the state tournament. Since most of the girls on the team were Juniors and Sophomores next year should prove to be a great season. The Seniors wish the team good luck, though they won't need it.

WRESTLING

Record: 16-10 Team Award: Shawn Perkins

Although diminished in numbers, the Masco wrestling team compensated through hard work and a strong team effort. Led by tri-captains Shawn Perkins, Alan Gibeley, and Tasos Theodorou, and seniors John Kirwan, Brad Johnson and Mark Frampton. The team went 16-10 in dual meets. The wrestlers also took third place in the Cape Ann League tournament and third in the Westford tournament. There were many strong individual performances. This year's gymnastics team undoubtedly had its most successful and exciting season ever. For the fourth year in a row the team went undefeated in the Northern League. This season there were not only a few outstanding gymnasts but many, whose talent and consistency led the team to great success. Top-notch performances by Sadie Dayton, Kim Francis, Meg Ryan, Maryellen Driscoll, Jen Rayda, Chrissy Crippen and Melissa Shwab were of special importance in defeating Danvers, whose ten year winning streak was finally ended. Placing second in the North Sectionals meet by a heart-breaking seven tenths of a point, Masco went on to qualify for the state meet for the third year in a row. The support from teammates, parents, and devoted fans was truly appreciated along with the guidance of Lee Gilbert. Captains Rory Evans and Maryellen Driscoll wish the team the best of luck next year.

This year's hockey team started the season with a bang. After tying Newburyport, the returning Cape Ann League champs, the Chieftans compiled a record of 3-0-1. A few disappointing losses deflated their confidence and it seemed as if there was no end in sight. The Chieftans collected themselves and ended their season respectably, beating Hamilton-Wenham and losing a close one to North Andover, 7-6. If not remembered for an outstanding season, this year's hockey team will definately be remembered for its unusual hair cuts. All Stars: David McCarthey and Joe Puleo Captain: David McCarthey Ass. Our Girls and Boys Ski Team did well this season considering...more than half the team was disciplined for alleged "cheating" during preseason conditioning including sneaking through the building, traveling through Boxford's underbrush, and flagging down rides through the X-country course. Severe rainfall happening late in December put a damper on our season. Our schedule full of practices and meets dwindled down to a week of competition and NO PRACTICES. We completed a season of skiing in one week with the girl's record being 6-4-0, and the boy's being 4-8-0. Once again Cathy Maclean had a successful season, qualifying for states and Bay States Games and winning the bet for a "Diet Coke" Allison Seymour was also a qualifier for state competition. The seniors wish the teams good luck next year and a special thanks to our manager Stephanie Riley who inspired us all with her never ending quest for co-capt. In Brief(s) it is now 12am, the night before the final deadline, and we've saved the best for last. While Kathy is swearing at the computer, Jamie has challenged himself to basketball. Although Sarah's ideal man is yet to be found we've had several close calls. The "turtle" has helped us push our butts through the long year. What a year ?! The photo editor did a FINE job?-and the baby editors were absolutely essential in the production of "the book". Elena helped us the whole way. Easily excitable she often reduced many of the staff to tears. We would also like to commend the boy, the legend, the surfer Jeff Jones, in his awesome dart games. Thank you Kath- for making him possible. Christine-talk-to-me-Butterworth, went mental under the reich of Herr Lip (to this day we don't know if she'll recover- sugar O.D.). Kris and Sarah, were pushing their butts, have pushed their butts and are still pushing their butts through the year and still are the most unphotogenic on the staff. All in all it was O.K. Kris Brown and Maura Mulkerron are very grateful for the escape clause at this pt. in "TIME". Speaking of TIME, that was the theme of this book in case any of you didn't quite pick up on it. Well, it's late now and we all want to leave to dream about yearbook. Jamie's head is getting cold and his booooooooots have to be in by 1am or he'll turn into an untrendy pumpkin. We've eaten Christine out of house and home and its TIME to go. The day in the life of an editor has now ended and we're going to bed, Goodnight!! 12:55am -THE YEARBOOK STAFF

THE YEARBOOK STAFF WOULD LIKE TO THANK: Terrrrrr Meinelt(herr lip), Tom(boxer) Barn-Z, Guy(brief) Garon, Jim Williams, Jack Pastor, Mr. Hussey, Mr. Soucy, Mr. Smith, the understanding Senior teachers, people picker outers, sports journalists, activities journalists, Masco School Commitee, Copy Center ladies due to our many intrusions, Mr + Mrs Maccarone for their wonderful food and tolerance, Mrs. Butterworth for Moonlighting party, Danielle + Julie + Jay + John + Dana + ...for the never ending SAGA! and of course our parents.

EDITORIAL BOARD

EARLY CHILDHOOD

Early Childhood Education is both a nursery school for preschoolers an a high school course for juniors and seniors. The nursery is run by Mrs. Mannheim, and is open to 3-5 year old children from the Tri-Town area. Students who have signed up for the course work with the children during one period and also are taught by Mrs. Mannheim how to deal with young children, learn about their mental development, and develop leadership skills. They also learn to appreciate that caring for young children and making it a profession is a worthy life choice. It provides the students an opportunity to be creative, responsible, and to interact with young kids. An advanced program for seniors allows them to do independent field work at local nursery schools and kindergartens.

NISSEN

TRAINING CENTER

The Training Center offers an opportunity to developmentally delayed students to receive an education in a high school environment. This provides them a chance to interact with other students in addition to the use of the school's facilities. The Training Center teaches the students skills which will eventually give them the opportunity to be independent productive adults. Functional academics and prevocational training is the focus of the work in the classroom, and field trips are held to practice their new skills. Since students do not attend regular classes, they do not know other students very well. This is where the volunteer program comes in-students from all classes come in and make friendships with the students, working and learning with them. Volunteers are role models for the students, and make the program much more valuable for everybody.

ALTERNATIVE SCHOOL

The Alternative School is a special program for a group of students which supplements their normal educations here at Masco. It helps them in dealing with both themselves and others around them by involving them in group discussions. It also gives them a chance to relax and be themselves during the school day. An individuals abilities and needs determine the amond of attention and work each student receives. Field trips and group activities are held occasionally and are important in bringing the group together.

JUNIOR-SENIOR PROM

The Junior-Senior Prom was a huge success. It was the largest prom in the history of Masconomet, with over 400 people attending. The Yacht Room in Salisbury, MA. complimented the night with dinner and dancing. It ended on a suspenseful note as the King, Dave McCarthy, and Queen, Chrissy Lindquist, were announced along with their court. As the evening came to a close, we all danced to the theme song "Heaven." A song which will always remind us of that one special night and that one special person.

HOMECOMING

At this year's Homecoming, most of us found ourselves going to the movies. As we decorated the cafeterias we were able to see the freshmen production of "Follow that Bird" the sophomores version of "Rocky IV", and an adaptation of "The Wizard of Oz" done by the juniors. But it was the star studded SENIORS' rendition of "Peter Pan" which managed to take first place. The annual float decorating contest followed as all classes struggled to convert their masterpieces from the cafeterias into motion pictures on wheels. As the same time this was happening, athletes were taking their places on the fields and in the gym. These athletes put their best efforts into their games, and as a result, the majority of our teams added another victory to their record. During half-time of the football game, the floats were paraded around the field. This year the juniors celebrated the award of first place with Jen Martin playing the role of Dorothy, from "The Wizard of Oz." Next, the court and princes and princesses were announced. Yes, there was a new twist to Homecoming this year. While the seniors voted for a king and an queen which were announced at the dance, the underclassmen chose princes and princesses. The dance, later that day, went quite well with several upperclassmen coming and actually staying after Alan Gibeley and Amy Brickett danced the king and queen's dance together. As 11 o'clock rolled around, students wearily made their way home, putting yet another victorious, fun-filled Homecoming behind them.

HOWLIN' HALLOWEEN

On Thursday night, October 30, the cafeteria was filled with ghosts, goblins, and ghouls. Well, actually, more punks, prostitutes and partiers showed up. Even Joey Puleo managed to throw a cardboard case of "Budweiser" on his head. An appropriate gesture on his part! Dave McCarthy was able to strut his stuff in a golf bag winning most original costume. The winners of the best group costume ended up in a tie between the shieks and their harem (Steve C., Shawn C., Paul L., Bonnie M., Gretchen M., Lisa N.), and the piggyback riders (Amy L., Ron W., Rob W., Ed V.). And although there were many mysterious participants at this years Halloween Party, Brenda Goglia and Amy Sanborn stole the most mysterious costume award. Whatever they were still remains a mystery!! Because it was a school night the party goers left around ten. As the D.J. played the last song we were saddened. However, knowing we could get all dressed up the next night for tricks and treats comforted most of us.

PLAY

Those of you who listen to the morning announcements know that "You Can't Take It With You!" as the title of the annual dramatic production. Although there were many differences of opinion on whether or not you can't take it with you, after the actors and actresses presented their case to the audience, the majority were convinced that you really can't take it with you.

With seniors Sue Bott, Tim Barnes, Ross Pearsall, and Liz Hopper leading the audience through the bizarre encounters between two very different families, the evening was truly an enjoyable one.

POWDER PUFF

Throughout the battefield, the Senior girls could be heard screaming triumphantly as the Junior girls were harshly beaten in spite of their warrior-like tactics (ha, ha, ha . . . just kidding!). The '86 Powder Puff game was a tough one indeed. Both the Senior and Junior girls played a great game and played to win, but the expert coaching of the Junior girls proved more effective than that of the Seniors. Everyone agreed that Steve Capone, Dan Stallard, and Tom McParland made great cheerleaders and the varsity football team members made great coaches. Both the Junior and Senior girls helped to make this years Powder Puff game a memorable one.

CALITRI CHRISTMAS

The annual Senior Christmas Party set yet another example of the individuality of the class of '87. Not only did we lose Powder Puff for the first time, but instead of remodeling the cafeteria into a winter wonderland, we decided that it would perhaps be more enjoyable and memorable at the North Shore's famed Calitri's. "Almost Live" brought down the roof while Santa Dan (that is, Dan Stallard) bounced all the good and not-so-good Seniors on his knee while listening to their wishes and then reaching into his sack and passing out all sorts of interesting little presents. All in all, everybody had a wonderful time.

MUSICAL

The Pajama Game was one of the most successful musical in the past few years.

Besides it being the last production for the year it was also the last time we would see senior leads Sue Bott, Tim Barnes, Ross Pearsal, and Dorsey McGione and stage. (at Masco any way)

Other excellent performances came from upcoming Junior Emily Iarrochi and Sophomore Marcus Jaminson.

Overall the night was a big success.

A newspaper is many things to many people. For some, it's the headlines, commentary, or sports pages; for others, it's the comics, feature stories, or book reviews. For most people, though, it's a daily companion, a primary source of news and information, which keeps them in close touch with the world around them. The Boston Globe is that kind of newspaper.

For more than a century, the Globe has been informing and entertaining the people of New England. But a good newspaper should do more than just compile a daily record of world, national, and local events. A good newspaper should be an active leader in its community. The Globe is that kind of newspaper, too.

In its role as a responsible corporate citizen, the Globe goes far beyond its daily pages of newsprint. It tries to be a positive force in the community – a teacher and leader – by sponsoring many public affairs programs, particularly for young people who will be our leaders of tomorrow. The Globe is proud to originate and sponsor these programs, with the hope they will help to improve the quality of life for all New Englanders.

- The Boston Globe Annual Photography Contest
- The Massachusetts High School Drama Festival
- The Massachusetts State Science Fair
- The Boston Globe Scholastic Art Awards
- Boston Globe Plant Tours
- The J. Edward Fitzgerald Award for Photojournalism

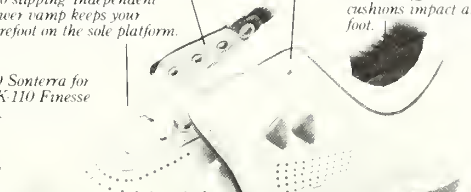
Our doubles will improve your singles.

Kaepa® is the only tennis shoe with a patented dual-lacing system. One guarantees forefoot control. One delivers rear foot support. So you can actually fine tune a Kaepa shoe to fit both halves of your foot.

Go ahead. Lace up the front lace. See how snug and secure your forefoot feels? With Kaepa, your foot stays put.

Now lace up the back. Notice new comfort around the arch, instep and heel? That's standard, too. Whether you're serving or volleying.

Want a shoe that flexes and supports like no conventional tennis shoe can? Want high performance on the court? Try the one with two laces.



Independent upper vamp supports the arch, instep and heel
Glove leather upper, backed with cotton/foam and lined with terry cloth, adds comfort.
No slipping. Independent lower vamp keeps your forefoot on the sole platform.
Molded polyethylene sockliner, with energy absorbing insets, cushions impact areas of the foot.
The K-100 Sonterra for men and K-110 Finesse for women.
Extended rubber toe/heel guards, and stitched sole wall, increase stability and lateral support.
The EVA midsole, with polyurethane "landing pads" under the ball and heel, absorbs shock.
